JANUARY memories

We had such a fun time bowling
with WAEM!

We kicked off the semester
with a meeting featuring
Georgia Pacific.

Our annual Tea with SWE
was in January with
panelists from Chevron.

Member Spotlight

Our spotlight of the month is our president, Kristi McCoy. Kristi is graduating in May with a Bachelor of Science in Chemical Engineering with a minor in anthropology. Although her graduation has been long awaited, she is taking in every moment that she has left at UA and with SWE. Kristi has a long history with UA SWE. She started out her Freshman year being voted "Most Outstanding Freshman" by the section as she began her involvement as the Tea with SWE Event Coordinator, going on to become the Fundraising Chair and Scrapbook and Photography Chair for two years - winning best Scrapbook at Region D Conference 2016.

She was also the Activities Coordinator for WOW! That's Engineering for 2 consecutive years. She has since been recognized as "Most Outstanding Junior", "Most Outstanding Senior" and a distinguished member of the section for 4 consecutive years. She has attended 7 different annual and regional SWE conferences with the section. Last year she served as the Vice President of Membership and enjoyed engaging with new members. This school year, she has enjoyed facilitating general meetings with a great team of officers and working with corporate contacts to help connect as many members as possible with potential employers. Although her future plans as an engineer are not yet set in stone, she knows that what is meant to be will find a way!

Letter from the President

Hi everyone!

January has been quite the month and we cannot believe it is already over. SWE got busy as soon as school started back. Our first event of the year was a Study Abroad info session hosted by the Study Abroad office, Dr. Williamson, Dr. Tootle, and our very own Vice President of Outreach, Tatum Martin. We also got the chance to talk to freshman intro courses about SWE and how to get involved. We then had our annual Freshmen Tea with SWE membership event hosted by Lauren Pan and Gally Smith. The following day, we hosted our first meeting of the year with Georgia Pacific and learned some great information about the Co-op program from our own treasurer, Alex Chagnon. We held our first fundraiser of the year, coordinated by our Vice President of Membership, Magdelene Lee, and Emily Cvitanovich our fundraising chair. We then partnered with WAEM for a social night of bowling at AMF lanes organized by our social chair, Stephanie Parker. In the coming month, we have many activities planned. We are so excited for what is to come!

Sincerely

Kristi McCoy
