MEMBER SPOTLIGHT

Sarah Holdrup

Sarah a sophomore from Houston, TX majoring in environmental engineering with a minor in math.

As a freshman, she joined SWE and became involved by holding the position of Community Outreach Chair and being an activity lead for "WOW! That's Engineering!" Sarah also got SWE involved with the Children's Hands on Museum at their annual fundraiser. She was sponsored to attend the WE Local regional conference in St. Louis, MO.

This year, Sarah Holdrup is excited to be the Vice President of Outreach for SWE.

Outside of SWE, Sarah is a member of Sigma Kappa, UA Dance Marathon, Environmental Council, and plays intramural volleyball.

LETTER FROM THE PRESIDENT

Magdelene Lee

Hi SWEsters!

I hope you had a great first week of school! We had a great turn out at Get On Board Day, and we loved seeing new and familiar faces. Thank you for stopping by our table and saying hi! We've got great plans and events coming up in September and we want to see you there! Our first meeting with Chevron is coming up in a few days, and we're excited to connect with you. However, if you're interested in meeting sooner, we'd love to see you at our "Why I Became a SWE Member" Panel at Organization Takeover. In this fun event, we'll share our member testimonials and why we love SWE, as well as what you can look forward to in this organization. We have several events lined up to help you network with different companies and professionals. Since community and inclusion are integral components of SWE, we want you to join us and help us help you. We've also got SWEet Week coming up, a time packed with social and professional events to network with your peers and professionals. As we've planned this entire week just for our members, we hope you'll make lasting connections and friendships as we have. We have many opportunities for you to get involved and become a leader, and we're looking forward to making this year an exciting and memorable one for you! Please reach out to me if you have any questions. Stay connected to our upcoming events with our Instagram, @uaswe.

Your Fellow SWEster,

Magdelene Lee
